

SERVICE PARTNER RESOURCES

At ROAM, teamwork is key. Partnering with us gives you access to a community focused on advancing your brand and achieving collective growth.

Reach out to us if you need access to any of the following resources to help propel your business forward.

Legal Assistance: ROAM offers comprehensive support in establishing your LLC, ensuring a solid legal footing for your business.

Financial Guidance: Access bookkeeping and CPA resources to manage your finances effectively, freeing you to focus on delivering exceptional services while we handle the financial aspects.

Insurance Recommendations: Concerned about insurance coverage? Benefit from our trusted referrals, securing the right representation for the protection and stability of your business.

Marketing Support: Once onboard, we lead marketing efforts to attract members to the ROAM app, driving bookings for your services. Our network continually grows, reinforcing our commitment to connecting clients with you.

Community Partnerships: Engage with our local partners who share our mission of creating community connections to provide elevated experiences. Together, we can boost your bookings and empower your business for mutual success.
